cinq - 5
six - 6
sept - 7
huit- 8
neuf - 9
dix- 10

Sound spelling

“é”

“eu”

“in”

“hui”

Fact Bank

“H” is just a “breath” in French. Try saying the number 8 on French again “**huit**”.

Six is number 6 in French it looks like the number in English but it doesn't sound the same.

Try saying “6” in English and French and spot the difference.
